

## **T-TH Purple Family Newsletter**

### **March 18-29**

#### **Important Dates:**

- March 21- Spring Celebration 12:30 in the garden
- March 28- Thank you Brunch for Parents from the Staff after drop off in the Parish Hall
- April 3- Picture Make up day
- April 8-12- Week Of The Young Child
- April 12- Beach Day at Lover's Point
- April 15-22- Spring Break

#### **What's Going on In Class:**

We have been working very hard getting ready for the Spring Celebration. We are learning new songs and making headbands.

In the take apart center we have taken apart a phone and a calculator. We are still trying to get the toaster apart to investigate what is inside.

We have been working in the garden getting it ready to plant. We have turned up the soil and talked about what we would like to plant. A few ideas were flowers, tomatoes and carrots. If you would like to donate a plant or two to the garden that would be great!

Please remember to write your child's name in their jackets.

The Spring Celebration will be held in the garden at 12:30. If it rains we will move into the classroom. We will sing a few songs then have cookies and strawberries afterwards.
